

WOODEN GARDEN STRUCTURES

workshop at Babylonstoren

Presented by

Gilles Guillot, head gardener at Prieuré d'Orsan, France

Date:

1 & 2 December 2015

Time:

10h00-16h00

We meet at the farm shop for a walk through the vegetable garden to look at the different wooden garden structures, climbing frames for beans, tomatoes and squashes, woven edges and delightful screens.

Gilles will demonstrate how he builds some of his favourite structures.

In the afternoon we'll get practical with wood, hammer and string, building structures to take home.

Cost R 450 per person and includes lunch in the Greenhouse
